1. Imprimez les trois pages et decoupez chacune des petites cartes.
2. Pliez les cartes. Collez l'interieur (x).
3. Coupez les 4 coins. C'est fini!

To play : put all the little cards with the grey face up.
 Try to find pairs by turning only two cards at a time.
 Keep the pair if you find one. Put them face down if you didn't. Replay if you found one.
 If not it's someone else's turn !
 Game is ending when there's no more cards.
 Winner is the one who has the most pairs.

Regles du jeu: Mettez les cartes face contre la table (le cote gris en haut). A son tour, on retourne deux cartes. Si elles forment une paire on les garde et on rejoue. Sinon on retourne les cartes et c'est au suivant.
 Le jeu se termine quand il n'y a plus de cartes.
 Le gagnant est celui qui a le plus de cartes.
